SUMMARY

Music professional with 6+ years of experience in music supervision, sync licensing, and rights clearance across film, television, and branded content. Skilled at leading creative music searches, curating catalogs to fit brand voice and campaign moments, and auditing publishing and label rights to keep every pull compliance ready. Deeply knowledgeable across genres and genuinely passionate about music discovery, with a track record of coordinating closely with label reps, supervisors, and creative teams to move fast without sacrificing accuracy.

EXPERIENCE

TMZ Productions

Feb. 2023 – Apr. 2026

Senior Music Coordinator

- Read daily production scripts to identify music needs, then curated and pitched 15-20 tone-specific playlists per episode directly to producers and editors in real time, matching music to tone and story on tight daily turnaround.
- Conducted copyright ownership, publishing split, and co-publisher rights research to confirm clearance eligibility and flag conflicts before use, cross-referencing BMI, ASCAP, Songview, and CISAC.
- Managed a roster of contracted composers building the network's original music library, reviewing and delivering monthly feedback on submitted tracks to guide material toward broadcast-ready, sync-appropriate output.
- Built and maintained the internal music library, including ingestion, tagging, and cataloging of tracks with complete metadata and rights information to support fast clearance turnaround and ongoing creative searches.
- Worked closely with legal, production, and creative teams internally, plus outside label reps, music supervisors, and attorneys, to keep clearances moving and resolve ownership questions.

Sarahthonin Sounds

Jan. 2019 – Present

Music Curator & Consultant

- Lead creative searches from brief to delivery, pitching music for sync opportunities across brand campaigns and audio/visual projects; meet directly with artists and label representatives to develop sync partnerships and facilitate clearances.
- Conduct publishing and label rights audits on sync-eligible tracks to confirm rights holders and clearance status ahead of pitching to clients, building a working knowledge of catalog ownership across major, mid-tier, and independent labels and publishers.
- Curate 500+ playlists tailored to brand campaigns, storytelling needs, and cultural moments, with an emphasis on international and underrepresented artists.
- Create social media graphics, playlist covers, and brand design assets using Canva and Photoshop for music curation projects and artist promotion.

LVNDR Music

Apr. 2022 – Feb. 2023

Music Coordinator

- Coordinated licensing and clearance for 200+ tracks across trailers, branded content, and episodic television; managed \$500K+ licensing budgets and negotiated master and publishing licenses across broadcast, digital, and theatrical platforms.
- Coordinated directly with label reps and rights holders on licensing requests, communicating deal terms and resolving ownership questions to move requests to close.
- Coordinated licensing documentation and maintained deal logs; collaborated with supervisors and rights administrators to process and fulfill licensing requests.
